The screenshot shows a web interface for adding a service. At the top, there is a navigation bar with a profile icon, a plus sign, and several utility icons. On the right side of the navigation bar, there are buttons for 'Essential Blocks', 'Save draft', 'Preview', and 'Publish', along with status indicators for '8 / 100' and '0 / 100'. The main content area features a large text input field containing 'Workshop gezonde voeding', with a blue arrow pointing to it from the right. Below this field is a placeholder text 'Type / to choose a block' and a plus sign icon. The 'Settings' section includes a 'Name' field with the value 'field_19128' and a blue arrow pointing to a text box containing 'Workshop gezonde voeding'. The 'Appointment Settings' section has a 'Price pre' field and three radio button options: 'Slot' (selected), 'Hour', and 'Minute'. At the bottom, there is a 'Price per slot' field with the value '50'.
